CONDITIONS OF LICENCE

1. Unless stated otherwise or the context otherwise requires, all terms shall have the same meanings as used in the Environmental Public Health Act (Cap.95) and the Environmental Public Health(General Waste Collection) Regulations (Rg.12).
2. The licensee hereby represents and warrants that all information and/or documents furnished and supplied for the purposes of applying for this licence is true and accurate.
3. The licensee shall collect waste from residential enclaves only between 7am to 7pm unless written permission is otherwise obtained from the Agency. Applications for collections outside these hours are to be sent through NEA's online feedback form.
4. The licensee shall take all necessary measures to ensure that
 - a) No vehicle shall fall into the refuse bunker when discharging waste at disposal sites.
 - b) All bins (including open top containers and compactors) are properly secured and do not fall off from vehicles when discharging refuse at disposal sites.
 - c) SS EN840-compliant refuse and recycling bins are used and provided, for the storage of refuse and recyclables, in providing their services.
5. The licensee shall, at a frequency stipulated by the Agency, ensure that all vehicles, bins and equipment are inspected by a competent workshop and certified by a qualified person as being roadworthy and in a fit condition to collect, transport and dispose of waste at disposal facilities and be affixed with a certification label.
6. The licensee shall ensure that the tippers, open lorries and bins are not overly filled with refuse and that the refuse is securely covered.
7. The licensee shall maintain the vehicle(s), equipment and bins in a clean and good working condition and keep records of all transactions.
8. The licensee shall inform the Agency immediately if there are any changes in the locations at which recyclables are disposed.
9. The licensee shall not :-
 - (a) dispose of any waste outside Singapore; or
 - (b) without first obtaining the approval of the relevant authorities in recipient countries, export any waste out of Singapore.

For the purposes of this Condition 9, "waste" shall exclude "hazardous waste" and "other waste" as defined under the Hazardous Waste (Control of Export, Import and Transit) Act (Cap. 122A).

For the avoidance of doubt, the Hazardous Waste (Control of Export, Import and Transit) Act (Cap. 122A) provides for the regulation of the export, import and transit of hazardous waste and other waste and for related purposes and shall be complied with by all licensees.
